

JULY 2023, 6th PRESS RELEASE

## Joint final event of FARCROSS & TRINITY

*Make your calendars for the joint final event of projects FARCROSS and TRINITY in Brussels.*

On **7th September** in **Brussels (Belgium)**, FARCROSS and TRINITY projects are celebrating their final event together to showcase the achieved results. This unique opportunity aims to demonstrate their efforts in enhancing cross-border capacities in the South-Eastern European region through optimization solutions and grid-enhancing technologies.

The event specifically targets policymakers (regional and EU), other Horizon project consortia, transmission system operators (TSOs), and experts in the smart energy domain.

The event will be held in a hybrid format at the Office of the Spanish National Research Council in Brussels (Rue du Trône, 62), with an online livestream available. Due to limited capacity, early registration is recommended.

**Registration deadline: 29 August.**

REGISTRATION IS  
NOW OPEN **HERE**

\* THIS EVENT IS FREE OF CHARGE, BUT IN-PERSON ATTENDEES MUST REGISTER. DUE TO LIMITED ONSITE CAPACITY, PRIORITY WILL BE GIVEN TO EARLY REGISTRANTS.

\*VIRTUAL ATTENDEES WILL RECEIVE THE INVITATION BY EMAIL. PLEASE, CHECK YOUR SPAM FOLDER.
